

# Involve Inverclyde

Help us create an Inverclyde where YOU can thrive!

To get involved or find out more, contact [daniel.burwood@yourvoice.org.uk](mailto:daniel.burwood@yourvoice.org.uk)

## Have Your Say

We are working with Inverclyde Health & Social Care Partnership in reviewing Inverclyde Care at Home and Day Care Services. We would like to hear local people's thoughts on what's working well and where changes could be made to help people live well and remain independent. Get in touch to find out how you can 'Have your Say', share your experiences and ideas to shape and improve future Care at Home and Day Care services and support in Inverclyde.

## Carers Plan 2023 - 2026

Your Voice have worked closely with the Inverclyde Health and Social Care Partnership and Inverclyde Carers Centre to gather the views and experiences of local people who look after a family member of friend, about what's important to them. People told us they could use more support, short breaks and benefits. We want to continue to hear from local people who look after a family member or friend,

what services and supports would help you in your caring role? Future events around Inverclyde are in the works, so get in touch with Dan to ask any questions and find out how you can take part!

## Transforming Primary Care

As part of our efforts in engaging the population on Primary Care and how they should access their local services, we are working with Inverclyde Health and Social Care Partnership in gathering people's views and providing information to ensure that people get the right care at the right place. Primary Care is the first point of contact for healthcare, acting as the 'front door' of the NHS.

Click [here](#) or scan the QR code to take part in the survey! Please contact us for a paper copy of the survey. Get in touch to find out about our engagement sessions and subscribe for future updates. [craig.mclaren-gow@yourvoice.org.uk](mailto:craig.mclaren-gow@yourvoice.org.uk)

## Care Opinion

We're working with Care Opinion to encourage people to share their experiences of health or care services, and help make them better for everyone. This included public engagements and online training. Care Opinion is an independent non-profit feedback platform for health and social care. Freepost envelopes are available at the Your Voice office and people can give feedback via Freephone on 0800 122 3135.

# Heads Up, Get Involved!

Help us create an Inverclyde where YOU can thrive!

To get involved or find out more, contact [daniel.burwood@yourvoice.org.uk](mailto:daniel.burwood@yourvoice.org.uk)

## Health & Social Care Localities

Health and Social Care in the community has in the past been approached as a broad issue but with the experience of using GPs and health centres varying across Inverclyde it's important we capture feedback that accurately reflects your issues on a local level. In order to do this, HSCP have developed a new Localities system of Inverclyde East and West, with Baker's Brae in Greenock serving as the border between the two areas. We plan on continuing on our engagement on this in our office so keep an eye out or contact Daniel for more info!

## Looking Ahead

We want you to get involved in developing the blueprint for the Health & Social Care Services in Inverclyde. We are working with Inv HSCP in reviewing local priorities for their next plan. We need your help to make sure services and supports available are meeting the needs of local people. You can get involved by attending one of our engagement sessions or simply just get in touch and we can have a chat.

Get involved today,  
and create positive  
change within  
Inverclyde!

12 Clyde Square, Greenock

We have many advisory and peer support groups, covering a wide range of interests and conditions. The feedback we receive is sent directly to the Inverclyde HSCP and used to help shape local services!

If you require a large print version of this leaflet, please contact us or stop by the office.
